## U.S. Shipping & Handling Information

**UPS Rates effective December 31, 2012 - USPS Rates effective January 27, 2013**

By using flat-rate shipping charges for UPS ground and First Class Mail listed below, we do not have to impose minimum order requirements. Hawaii and Alaska orders are normally shipped via First Class or Priority Mail. Orders specifying shipping via First Class Mail which exceed 13 ounces, will be shipped and billed at Priority Mail rates. When shipping via UPS a street address must be provided.

**Rates are subject to change without notice. We can not accurately predict or guarantee delivery times with US Mail.**
